koe ye kaise bataaye ke wo tanahaa kyon hai
wo jo apanaa thaa, wahee aaur kisee kaa kyon hai
yahee duniyaan hain to fir, ayesee ye duniyaan kyon
hai
yahee hotaa hain to, aakhir yahee hotaa kyon hai?

ik jaraa haath badhaa de to, pakad le daaman
us ke seene mein samaa jaaye, humaaree dhadakan
itane kurbat hain to fir faasalaa itanaa kyon hai?

dila-ye-barabaad se nikalaa naheen abatak koe
ik loote ghar pe diyaa karataa hain dastak koe
aas jo toot gayee hain fir se bandhaataa kyon hai?

tum masarrt kaa kaho yaa ise gam kaa rishtaa
kahate hain pyaar kaa rishtaa hain janam kaa rishtaa
hai janam kaa jo ye rishtaa to badalataa kyon hai?
