maine dil se kahaa -2, ai deevaane bataa  
maine dil se kahaa, ai deevaane bataa  
jab se koi milaa, tu hai khoyaa huua  
ye kahaani hai kyaa, hai ye kyaa silsilaa, ai deevaane  
bataa  
maine dil se kahaa, ai deevaane bataa

dhaDkanoN mein chhupi, kaisi aavaaz hai  
kaisaa ye geet hai kaisaa ye saaz hai  
kaisi ye baat hai, kaisaa ye raaz hai, ai deevaane bataa

mere dil ne kahaa -2, jab se koi milaa  
chaaNd taare fizaa, phool bhaNvre havaa  
ye hasin vaadiyaaN, neelaa ye aasmaaN  
sab hai jaise nayaa, mere dil ne kahaa

maine dil se kahaa, mujhko ye to bataa  
jo hai tujhko milaa, usmein kyaa baat hai  
kyaa hai jaadoogari, kaun hai vo pari, ai deevaane  
bataa

mere dil ne kahaa  
naa vo koi pari, naa koi maahjabin  
naa vo duniyaaN mein sabse hai zyaadaa hasin  
seedhi saadhi si hai, bholi bhaali si hai  
lekin usmein adaa ik niraali si hai  
uske bin meraa jeenaa hi bekaar hai

maine dil se kahaa  
baat itni si hai ki tujhe pyaar hai  
mere dil ne kahaa mujhko iqaraar hai  
haaN mujhe pyaar hai -4
