mohabbaton mein dikhaave ki dosti na mila  
mohabbaton mein dikhaave ki dosti na mila  
agar gale nahi milta toh haath bhi na mila  
agar gale nahi milta toh haath bhi na mila  
mohabbaton mein dikhaave ki dosti na mila

gharon pe naam the naamon ke saath auhade the  
gharon pe naam the  
gharon pe naam the naamon ke saath auhade the  
bahut talaash kiya koi aadami na mila  
bahut talaash kiya koi aadami na mila  
mohabbaton mein dikhaave ki dosti na mila

tamaam rishton ko main ghar pe chhod aaya tha  
tamaam rishton ko main ghar pe chhod aaya tha  
phir uske baad mujhe koi ajanabi na mila  
phir uske baad mujhe koi ajanabi na mila  
mohabbaton mein dikhaave ki dosti na mila

bahut ajeeb hai yeh kurbaton ki duri bhi  
bahut ajeeb hai  
bahut ajeeb hai yeh kurbaton ki duri bhi  
woh mere saath raha aur mujhe kabhi na mila  
agar gale nahi milta toh haath bhi na mila  
mohabbaton mein dikhaave ki dosti na mila
