Builders of bars and stones,  
Where are you going, what's the rush?  
Hold on just a little bit longer! x2  
Drink the water, remember the spring that you came  
from.

Builders of bars and stones,  
Like a river, Your heart it runs  
Don't try to stop it now! x2  
Run till you drop, run till you can't go!

You gotta slow down, slow down, slow down x2  
You gotta slow, slow down!

Builders of bars and stones,  
Where are you going, what's the rush?  
Hold on just a little bit longer x2  
Drink the water, remember the spring that you came  
from,

Remember, remember the spring x3  
Remember the spring you came from.

You gotta slow down, slow down, slow down x2  
You gotta slow, slow down!

You gotta slow down, slow down, slow down x2  
You gotta slow, slow down!
