WE WISH YOU WEREN'T LIVING WITH US

We wish you weren't living with us,
We wish you weren't living with us,
We wish you weren't living with us,
We're not happy you're here.

You drive everybody crazy,
You're hopelessly fat and lazy,
You're constantly in the way here,
So pack up your gear. {YEAH!}

You're feeding your face,
You're taking up space,
We wish you weren't living with us,
We're not happy you're here. {CLOSE THE
REFRIGERATOR!}

Correct us if we're mistaken
But those are long distance calls you're makin'
How long do you plan on takin'
Advantage of us? {PAY UP!!}

We wish you weren't living with us,
We wish you weren't living with us,
We wish you weren't living with us, Get out of town.
