G.G. Allin --You Hate Me & I Hate You  
Well you hate me and I hate you. You never understand  
the  
things that I say or do. (So what's new?) You never liked  
me so I  
say "Fuck you!" You know you know that you don't like  
me and I  
don't like you...  
You never listen to my point of view. (I'm telling you!)  
Why don't you all drop dead your fucking fools (it's you  
who  
lose.) You never wanted me so I say "Fuck you!" You  
know you know  
that you don't like me and I don't like you...  
You never like that things I say or do (So What'cha  
gonna  
do?) Why don't you all go home and go back to school  
(with your  
golden rule). Mindless thoughtless puppets (Who  
needs you?)  
You know you know that you don't like me and I don't  
like  
you...  
You know you know that you don't like me and I don't  
like  
you...  
You know you know that you don't like me so I say fuck  
you...
