i hear your knees crumble to the ground
boohoo! did the knife in your guts
said you're part of the odds now
that's right so sad

Mary that's one pretty hat, honey this isn't that bad
if you care about your image so
the stains matches the dress
the more you move
the more you bleed
it's a matter of time

Killing is a lot like dancing,
I held your hand, you stabbed me
killing is a lot like dancing,
I held your hand, you stabbed my heart
you stabbed my heart

You've got a mail
the content half a kidney that I use to feed myself
gotta hold me or stop me now
stop me now!

You should hurry up and catch me
cause the closest that you've gotten to me
is to hear the screaming last words
beneath my shadow

the stains matches the dress
the more you move
the more you bleed
it's a matter of time

Killing is a lot like dancing,
I held your hand, you stabbed me
killing is a lot like dancing,
I held your hand, you stabbed me
Killing is a lot like dancing,
I held your hand, you stabbed me
killing is a lot like dancing,
a lot like dancing

woww!

Rock n roll baby!

The stains matches the dress
the more you move, the more you bleed
it's a matter of time

Killing is a lot like dancing,
I held your hand, you stabbed me
killing is a lot like dancing,
I held your hand, you stabbed me

Wooo Ohhhhh ohhhhhhhh
Wooo Ohhhhh ohhhhhhhh (repeat x 2)
(you stabbed my) You stabbed my heart!
