Boom Boom
Oooh, ya ya
Each day I'm waiting for another chance to see your
face
Each night I'm praying that tomorrow brings back your
embrace
I know, you know, that you're the only one I need
Â
My heart goes boom, boom when I get next to you baby
Oooh, ooh, cause of what you do
And every single day, and all the love you bring
Makes my heart get a funny little feeling
Makes me wanna keep dreaming
Say you're mine and you're never leaving
Baby, you're the only one I need
Boom,Â boom,Â boom, ya
Hey, hey, hey, ah ya
The only one I want
Â
When you call me baby, you completely turn my heart
all around
And boy when you touch me, you just take me high
above the ground
I know,Â you know, that you're the only one I need
Â

CHORUS

Â
Each day I'm waiting
Each night I'm praying
For your love one more time
And with your arms all around me
There's no mistaking, oh baby
You're the only one I need
Hey, hey hey
Ya ya ya
Hey hey hey
You're the only one, the only one, baby!Â
Â

CHORUS
