hit the dance floor when you're sexy wicked  
hit the dance floor when you're sexy wicked  
hit the dance floor when you're sexy wicked  
hit the dance floor when you're sexy

you look good, you look... you want that ...  
baby ..., baby come here, baby come here  
got that look on your face like you hadn't been popped  
in a year

...dance floor, chilling with my pockets full,  
sipping on some ... let me try and have a good time  
...seen her rocking all alone...they stack like domino  
got me saying shawty you fine  
oh, oho, oh, oho, baby tonight you gonna feel my fire  
oh, oho, oho, oh, you got me hot burning with desire

dance with me i told you baby, get on the floor i told  
you baby  
your body is calling and it got me burning up  
follow me i told you baby, to my home i told you baby  
your body is calling and it got me burning up

baby let me release your pain  
i'ma make you ... rain

let me get you some of this brain, brain  
let me see you shake, dang, dang  
this is just to play with, ... free...flag white i be all  
if you say no i be off  
baby it's nothing, believe me

... yes indeed i greet them, need them, breathe them,  
read them  
pimping ain't easy ...

dance with me i told you baby, get on the floor i told  
you baby  
your body is calling and it got me burning up  
follow me i told you baby, to my home i told you baby  
your body is calling and it got me burning up

baby gonna be tonight ...  
...get you...  
girl i wanna put you on, you already know me ...  
oh, oho, oho, oh baby tonight you gonna feel my fire  
you got me hot burning with desire

dance with me i told you baby, get on the floor i told  
you baby  
your body is calling and it got me burning up  
follow me i told you baby, to my home i told you baby  
your body is calling anytime it's burning up.
