All the pieces of my heart are falling down like
raindrops
I'm so lonely loving you baby that is all I know
It's like telling the sun not to shine; it's like telling the
wind not to blow
It's impossible I can't do it whose gonna pick up all the
pieces of my heart
All the pieces of my heart (x3)

I'm fighting back the tears I'm wiping my nose
It only seemed like yesterday you and me were sitting
here
Watching the TV watching the news
Eating the take out from the Chinese food
Didn't expect you to get up and leave
Did u find something better than me?
It wasn't always like this
We used to be so much in love we used to have a
happy home
How did it all go wrong

All the pieces of my heart are falling down like
raindrops
I'm so lonely loving you baby that is all I know
It's like telling the sun not to shine; it's like telling the
wind not to blow
It's impossible I can't do it whose gonna pick up all the
pieces of my heart
All the pieces of my heart (x3)

I never had anybody closer
you and me were supposed to grow older
means we're one and the same
that's why I'll never replace you
I never had anybody closer
you and me were made for each other
that's why I'll never replace you
cause baby your one of a kind
It wasn't always like this
We used to be so much in love
we used to have a happy home
How could i go wrong

All the pieces of my heart are falling down like
raindrops
I'm so lonely loving you baby that is all I know
It's like telling the sun not to shine; it's like telling the
wind not to blow
It's impossible I can't do it whose gonna pick up all the
pieces of my heart
All the pieces of my heart (x3)

Down on my knees i'm begging for you to take me back
bring back those times we had bring back your smile

All the pieces of my heart are falling down like
raindrops
I'm so lonely loving you baby that is all I know
It's like telling the sun not to shine; it's like telling the
wind not to blow
It's impossible I can't do it whose gonna pick up all the
pieces of my heart
All the pieces of my heart (x7)
