I got a shawtty in tha cater
Her ways thin like a paper
Got me speedin like a racer
I gotta be on tyme
Shawty got game like a laker
Antyhin she want ima give her
Dont stop get it shawty give it 2 me girl x2

Oooohhhh my body cant wait 4 you
2 do that thing you do
Uh huh burnin 4 you
Time is all we have between us
But baby im back 2 give you that good love

You and i between tha sheets
Im diggin u u diggin me
Lets rock tha bed x4
Take ya clothes off put ya feet up
I know you really like it
When we rok the bed x4

We begin at the table
I slowly kiss round her naval
She wraps her leg round my torso
Damn it feels soo good
Shes breathin heavy on me
Her sweat is drippin all ovr me
She begins to talk dirty to me
Girl you know its on

Oooh yur body all over me
My body all over you sexy
Love will make it
I rok tha bed
She rok tha bed
We rok tha bed
All nite looooong

You and i between tha sheets
Im diggin u u diggin me
Lets rock tha bed x4

Take ya clothes off put ya feet up
I know you really like it
When we rok the bed x4

She wants a lil luvvy duvvy
And a lil kiss kiss
A k got o always on her wishlist
But im not tpain baby no im not chris
Jus wana bang bang tell me can yu take this
The full court pressure
Wana undress ya
Baby turn around put ya hands on tha dresser
Jus act like indians and have a powow
Dat get it popin like bow chika wowow
But i dont relax cuz this aint no commercial
Baby ima pro so i need no rehearsal
Ima bad boy n i like a lil trouble
I make ya bed rok jus call me barney rubble
Den yu can be my baby
Dats bout 2 get heavy
So baby here we go let me know if ya ready
I do tha deep stroke until i make you lose it
1816 n that konvikt music yess

You and i between tha sheets
Im diggin u u diggin me
Lets rock tha bed x4
Take ya clothes off put ya feet up
I know you really like it
When we rok the bed x4
