(Chorus)

If you're looking for a lil some some tonight  
all you gotta do is sext me baby  
anything you want anything you like  
all you gotta do is sext me baby

I put it on ya get you all right  
you don't have to be alone tonight  
i can wait for my phone to go BEEP  
i love it when u sext me baby

(Verse 1)

Kuz it's written all over your face  
your eyes ain't left my back side ever since i walked in  
this place  
and i see you talking tell your girls (INSERT TEXT  
HERE.....)  
i'm like excuse me i can tell you want me  
so here's my number hit me up baby

(Chorus)

If you're looking for a lil some some tonight  
all you gotta do is sext me baby  
anything you want anything you like  
all you gotta do is sext me baby

I put it on ya get you all right  
you don't have to be alone tonight  
i can wait for my phone to go BEEP  
i love it when u sext me baby

(Verse 2)

with every beat of my heart i want you  
i can't wait for u to hit me up and tell me to come thru  
the words she says to me forfill your fantasy  
take it to ectasy make you feel weak in the knee  
(i'm here to satisfy , all you gotta do is baby)

(Chorus)

If your looking for a lil some some tonight  
all you gotta do is sext me baby  
anything you want anything you like

all you gotta do is sext me baby

I put it on ya get you all right  
you don't have to be alone tonight  
i cant wait for my phone to go BEEP  
i love it when u sext me baby

(Verse 3)

So call it texting but wat we do is sexting  
kuz when we texting feel like we undressing  
and when we sexting feel like we on ecs-pils  
kuz when we start i can never tell the ending  
oh baby girl you got me hooked up on your digital love  
you take me to another place after type a few words ?  
(not sure about this part)  
Girl i'm waiting for your love come and give me wat chu  
got

(Chorus x3)

kuz your looking for a lil some some tonight  
all you gotta do is sext me baby  
anything you want anything you like  
all you gotta do is sext me baby

I put it on ya get you all right  
you don't have to be alone tonight  
i cant wait for my phone to go BEEP  
i love it when u sext me baby.
