He walked into my life
And now he's taking over
And it's beautifu-u-u-ul
Yes it's beautiful

I've gone with better looking guys
He's gone with prettier lookin' gir-ir-irls
But now we're beautiful
I think we're beautiful

I don't need love affairs anymore (hooh-hooh-hooh-
hooh-hooh-hooh)
I don't need love affairs anymore-ore
Can't you see, it's the chemistry
Ah you must agree together we are beautiful
We are so beautiful

I am the rain, he is the sun
Ooh and and now we've made the rainbow
I think it's beautiful (ahh-ahh)
It's really beautiful
I don't need love affairs anymore (hooh-hooh-hooh-
hooh-hooh-hooh)
I don't need love affairs anymore-ore
Can't you see-ee, it's the chemistry-y
Oh you must agree together we are beautiful
(beautiful)
We are so beautiful (beautiful)

And if the whole world fell in love
Just like me and my ma-han
This would be beautiful, ahh-ahh
This would be so beautiful
I don't need love affairs anymore (hooh-hooh-hooh-
hooh-hooh-hooh)
I don't need love affairs anymore-ore
Can't you see, ah it's the chemistry
Oh you must agree together we are beautiful
(beautiful)
We are so beautiful (beautiful)
Can't you see, it's the chemistry

Oh you must agree together we are beautiful
(beautiful)
We are so beautiful (we are beautiful)
Beautiful (we are beautiful)
Beautiful (we are beautiful)
Beautiful (we are beautiful)
Beautiful (we are beautiful) [fade]
