When I pretend  
Everything is what I want it to be  
I look exactly like what you had always  
Wanted to see  
When I pretend  
I can forget about the criminal I am  
Stealing second after second just 'cause  
I know I can  
But I can't pretend this is the way  
It will stay  
I'm just trying to bend the truth  
I can't pretend I'm who you want me to be  
So I'm

Lying my way from you  
(No, no turning back now)  
I wanna be pushed aside  
So let me go  
(No, no turning back now)  
Let me take my life  
I'd rather be all alone  
(N turning back now)  
Anywhere on my own  
'Cause I can see  
(No, no turning back now)  
The very worst part of you  
Is me

I remember what they taught me  
Remember condescending talk  
Of who I ought to be  
Remember listening to all of that  
And this again  
So I pretended up a person who was fitting in  
And now you think this person  
Really is me and I'm  
(Trying to bend the truth)  
But the more I push  
The more I'm pulling away  
'Cause I'm

Lying my way from you

This isn't what I wanted to be  
I never thought that what I said  
Would have you running from me  
Like this

The very worst part of you  
The very worst part of you  
Is me
