Steele, Jeffrey

All my girlfriends are gettin' married  
They're gonna be brides, they're dressin' in white  
They're droppin' like flies

All my girlfriends are talkin' 'bout babies  
They're poppin' 'em out, and strollin' around  
Get me out of this town

I ain't ready for a new last name  
I don't wanna be nobody's ball and chain  
The reason for a Friday night poker game

I don't wanna be another desparate housewife  
Doin' dirty laundry on a Saturday night  
I don't wanna be somebody's "Baby, bring me another  
Bud Light"

Whatever

'Cause all my girlfriends are gettin' married  
They're gonna be brides, they're dressin' in white  
They're droppin' like flies

And all my girlfriends are talkin' 'bout babies  
They're poppin' 'em out, and strollin' around  
Get me out of this town

Their hitchin' it up is wearin' me out  
And tyin' the knot's all they're talkin' about  
I'm so sick and tired of hearin' their vows  
This bein' maid-of-honor's keepin' me from makin' out

'Cause all my girlfriends are gettin' married

Well, I swear every time I get Mama on the phone  
She's tellin' me another good man got gone  
It seems like every other dang weekend, I'm goin' back  
home

'Cause all my girlfriends are gettin' married  
They're gonna be brides, they're dressin' in white  
They're droppin' like flies

And all my girlfriends are talkin' 'bout babies  
They're poppin' 'em out, and strollin' around  
Get me out of this town

They're gonna be brides, they're dressin' in white  
They're droppin' like flies

All my girlfriends are gettin' married
