Kheili vaghte bi ghararam tuye in kucheye tanha
Bigharare ba to budan sade mesle bachegiha
Ta ye shakhe gol bechinam bezaram kenare muhat
Dast bezaram zire chunat cheshm beduzam tuye cheshmat

Tahe on kucheye bombast sar mizashtam ruye divar
To migofti cheshma baste ta ghayem sham dah ta beshmar
Baz bayad yeki az ma cheshmasho bebande hala
On yeki bere ye jayi gom she ta akhare donya

Onghad ashegham ke hatta hazeram tamum sham inja
To boro khoda be hamrat miseparamet be roya
Fekre man nabasho begzar hala cheshme on be rahte
Midunam mesle khode man negarane lahzehate
