(Gregg Allman)

Last Sunday morning

The sunshine felt like rain

Week before

They all seemed the same

With the help of God and true friends

I come to realize

I still had two strong legs

And even wings to fly

And oh I, ain't wastin time no more

'Cause time goes by like hurricanes

And faster things

Lord, lord Miss Sally

Why all your cryin'?

Been around here three long days

You're lookin' like you're dyin'

Just step yourself outside

And look up at the stars above

Go on downtown baby

Find somebody to love

Meanwhile I ain't wastin' time no more

'Cause time goes by like pouring rain
And much faster things
You don't need no gypsy to tell you why
You can't let one precious day slip by
Look inside yourself
And if you don't see what you want
Maybe sometimes then you don't
But leave your mind alone and just get high
Well by and by
Way after many years have gone
And all the war freaks die off
Leavin' us alone
We'll raise our children
In the peaceful way we can
It's up to you and me brother
To try and try again
Well, hear us now, we ain't wastin' time no more
'Cause time goes by like hurricanes
Runnin' after subway trains
Don't forget the pouring rain
