(Gregg Allman, Berry Oakley)

I recall once upon a time

Livin' was so easy and I felt so fine

But, my, my, my

Right before my very eyes

Satan came with fire to burn me

Wouldn't listen when they warned me

A dagger in my back

While she's calling me honey wouldn't stand back

For neither love nor money

Thirty minutes after my ship set sail

She put up a sign and my house began to wail

But, why, why, why

I couldn't see it in my little girl's eyes?

She had such a way to fool me

Lord, she had a way to fool me

And I would ask the woman

"Can you find it in yourself to please stand back?

You ain't gonna rule me"

Just when all began to fade

I reached out, threw the Ace of Spades

I put her on a train to the Everglades  
Now that it's all over and gone  
Somehow I just don't feel so alone  
But, lie, lie, lie  
It seemed like such a waste of time  
She did not ever seem to know me  
But, now it's much too late to show me  
But, if I ever see that woman  
Walkin' down the street I'll just stand back  
And try to move away slowly, oh yeah
