It makes me wonder sometimes.
If it's my mind or the world outside,
That makes me feel the way I do,
Not one single tear for you.
Against your head the bottle shattered,
I started to laugh but it didn't seem to matter... at all!
Riots broke out seconds later,
A thousand cops filled with hatred.
Senseless Violence, I start to realize,
Powerful mace was now burning my eyes.
Against your head the bottle shattered.
I started to laugh but it didn't seem to matter... at all!
A klan of cops chasing a girl.
She shouted out peace, but the club was hurled.
They beat her and they kicked her but she lay still.
Nazis licensed to kill.
Senseless Violence.
