you are my life you are my heart you are you all the longing

where were you for so you

tell me why were you late

my soul is in love with you and you not here

the day pass like a year to me

you love melt me your my soul

i'm all for you and my heart with you

*you are my life you are my heart you are you all the longing

where were you for so you

tell me why were you late

*my soul is in love with you and you not here

the day pass like a year to me

you love melt me your my soul

i'm all for you and my heart with you

i'm all for you between your hands

even if i close my eyes

i see with you and your eyes you own everything on me

my soul is in love with you and you not here

the day pass like a year to me

you love melt me your my soul

i'm all for you and my heart with you

you are my life you are my heart you are you all the longing

where were you for so you

tell me why were you late

my soul is in love with you and you not here

the day pass like a year to me

you love melt me your my soul

i'm all for you and my heart with you
