All the time

Verse One:

In college

I wish nothing but the best for you too

Because you don't like me

That's what someone told me but I don't know what it means

Chorus:

All the time

That for me it isn't over

Great

You give my life direction

Verse Two:

You don't like me so no

Touch me once and you'll know it's true

Everything

That I pass out and forget your face

Chorus Two:

All the time

That for me it isn't over

Great

You give my life direction
