i dont wanna be alone tonight
not tonight

im what they call a bachelor
to me a man is not a factor
you see tonight im a little bit tipsy
and i need somebody like you with me
could it be the dancer at the gentlemen's club
did i gave those 20s to you
i can tell that she wants to give me her number
cause she told me that shes off in 2

and she will come through
im taking someone
home wit me tonight yea
im taking someone
home wit me tonight
home wit me tonight
do you wanna go

there's nothing like a woman's touch (nothin like a
woman's touch)
and thats ?
(i know you see)
you see my windows down when i pull up
cause i want every girl to see me oh
is it her with the long weaves
is it her could it be
and the kool-aid smile thats starin at me
and i can tell that shes thirsty
and yes i have to drink
but is she the one for me

[Home Wit Me Lyrics On]

im taking someone
(home wit me)
home wit me tonight yea
(could it be could it be you)
im taking someone
(i cant sleep alone, not alone)

home wit me tonight
home wit me tonight
(do you wanna go)

do you hear me
i gotta find you
i need you tonight

when i find you i promise you'll be satisfied
at least for tonight

oh baby
im taking someone
home wit me tonight yea
i want you to come get in my bed
im taking someone
(im waiting for you waiting for you waiting for you)
home wit me tonight
do you wanna go wit me
do you wanna go wit me
im taking someone
home wit me tonight
home wit me tonight
do you wanna go
when i find you when i find you
i promise you'll be satisfied

but you can call me right now
i know i barely know you but
i been thinking bout you all day
i wrote a song about it you wanna hear it
here it goes
