calling out to all the pretty girls here tonight
you know you looking sexy as hell
damn baby your my type
shawty your something else
you make me wanna ?
face like a model but your so thick
looking flawless in that outfit
probably even better when your out of it

i see you girl with your jeans and no make up on
got a bed that you can wake up on
cos i like it, i like it, i like it
everything about you
cos i like it, i like it, i like it
the way you dancing to the beat
got me thinking your a freak
and that's quite alright with me
cos i like it, i like it, i like it
everything about you
i like it, i like it, i like it

i love the way you dance
and make your booty pop
and when you do its like slow motion and then the
music stops, aye
?
?
you make me wanna ?
face like a model but your so thick
looking flawless in that outfit
probably even better when your out of it

i see you girl with your jeans and no make up on
got a bed that you can wake up on
cos i like it, i like it, i like it
everything about you
cos i like it, i like it, i like it
