Lets get outta here,

I cant take no more, baby
Im goin soon crazy
Lets get outta here,
outta here,
I already know
what you wanna do, so
lets,(go),lets,(go)..
Get outta here, so lets

You dont know what you do to me got me nervous
How you workin that sexy body
oh,
You got me spoken, forzin n plays watchin they way you
body is goin,
Im sippin..ey
Ima come closer
Bring you body over
bang to da beat like,
ey ey ey
When the song is over,
to the door I show ya
And there is only one thing left to say

Chorus (lets get outta here)

Gotta whole lotta clear in My system and the closer you
get I start trippin
Your seductive and I love it
Its gotta go down
Girl I want you tonight
Wanna hold you tight
Gotta make sure I handle it right now

Ima come closer
Bring you body over
Bang to da beat like,
ey ey ey
When its almost over,
To the door I show ya

And there is only one thing left to say

Chorus
