Yeh,  
Yeh,  
Yeh,  
Yeh,  
You're so sexy,  
Yeh,  
Yeh,

Hey shawty, what it do  
You look like you need someone to  
Help you get a lil' comfortable  
And I would like to get a lil' more acquainted  
I could make you famous  
What your name is

I can't keep my eyes off you  
You're so beautiful  
You could be a model, you're very extraordinary and  
I need an all-star for my team  
You can try out for me, shawty

Shawty you just gotta be about the sexiest girl in the  
whole world  
You got that booty, and those lips, sexy eyes, perfect  
lips so sexy  
The sexiest girl, in the world

Hey baby, your head, your toes  
Your hair, your clothes  
So crazy  
Your vibe, your walk, the way you talk  
Everything,  
I'm buyin' whatever you're sellin'  
Believin' whatever you're tellin'  
I'm starin, I know you feel it cuz,

I can't keep my eyes off you,  
You're so beautiful,  
You could be a model,  
You're very, extraordinary  
Come be the all-star on my team

You can try out for me oh shawty,

Shawty you just gotta be about the sexiest girl in the  
whole world, yeah, you,  
You got that booty, and those lips, sexy eyes, perfect  
lips so sexy  
The sexiest girl, in the world

Megan,  
Halle,  
Ciara,  
Gabby,  
Jada,  
Janet,  
Amerie,  
What's happenin'

Theres nothin' against all of ya'll,  
But it would be a real close call if,  
I had to chose which one,  
You'd be the one I want,

Shawty you just gotta be about the sexiest girl in the  
whole world,  
I'm talkin to you,  
You got that booty, and those hips,  
Sexy eyes, perfect lips,  
So sexy,  
The sexiest girl in the world,  
Oh I swear,

Shawty you just gotta be about the sexiest girl in the  
whole world,  
Woah baby, nothing compares to you,  
You got that booty, and those hips,  
Sexy eyes, perfect lips,  
So sexy,  
The sexiest girl in the world,

Eh, I'm talkin to you,  
You are, eh, You are the sexiest girl in the world,  
I'm talkin to you,  
I'm talkin to you,  
Eh, you are, the sexiest girl in the world...
