Ain't gonna to the world the world as it spins around
just don't let the spin get you down
things are movin fast, (things are movin fast)
hold on tight and you will last

Get yourself respect, your mainly pride
get yourself in gear, keep your strike
never mind your fears
bright the day you're so..narrow

Take it from me someday we'll all be free
keep on walking tall..
and your dreams went to the sky
sing your greatest song
and you keep going, going on
take it from me someday will all be free
hey hey yeah, just way and see someday we'll all be
free
it won't..go on
just way and see someday we'll all be free
you gotta believe
take it from me someday
we will, we will all be free
take it from me someday we'll all be free
