Touchin' you where you wanna be touched  
And kissing you where I put my love  
Make it grow I wanna fill you up  
Give you what you want till you've had enough

All I wanna do is love you, and touch you, I want you  
We'll do the things that you want me to  
I love you, let me show you  
Here let me take all your clothes off, oh you're so soft  
Let me turn on, now let me put on some slow songs  
And take off your thong, girl come on

Let me take you to a place  
Where there's no denyin'  
Where we can do almost anything  
Temptation Island  
Let me take on all your fantasies  
There's nothin', I'm not tryin'  
Come on and follow me to Temptation Island

Now that you're layin' here next to me, lookin' lovely,  
wearin' nothing  
Relax let me touch your body, you're so sexy, get ready  
It's about to get real crazy  
It'll be amazing, baby you'll see  
Tell me the secret thing you need, all your fantasies  
So I can be

Let me take you to a place  
Where there's no denyin'  
Where we can do almost anything  
Temptation Island  
Let me take on all your fantasies  
There's nothin' I'm not tryin'  
Come on and follow me to Temptation Island

Let me take you away  
To a special place of love  
It's okay  
Give it to you till you get enough

Let me take you to a place

Where there's no denyin'  
Where we can do almost anything  
Temptation Island  
Let me take on all your fantasies  
There's nothin' I'm not tryin'  
Come on and follow me to Temptation Island

Let me take you to a place  
Where there's no denyin'  
Where we can do almost anything  
Temptation Island  
Let me take on all your fantasies  
There's nothin' I'm not tryin'  
Come on and follow me to Temptation Island
