Let me be the reason (let me be let me be) I wanna
make you smile like you used to (I wanna love you, i
wanna be the...)

I wanna be the reason that you smile again (let me
make you smile again) let me be the reason you forget
all about him... I wanna pick up the, pick up the
pieces (follow me, follow me, follow me girl) won't you
let me pick up the pick up the pieces (follow me, follow
me, follow me now) After all the things that he did wont
you let me be the reason...

I cant tell theres alot on ya mind you need to just sit
back and recline (need to just sit back) cause this girl i
knew way back then before him i aint seen in a long,
long time she used to be so damn sweet and i miss her
if i had her here with me i would kiss her and hold her
close and never let go again if she just let me in...

I wanna be the reason that you smile again (smile
again) let me be the reason you forget all about him... I
wanna pick up the, pick up the pieces (follow me, follow
me, follow me girl) won't you let me pick up the pick up
the pieces (follow me, follow me, follow me girl) After
all the things that he did wont you let me be the
reason...

All you do is go to work and come home you wont pick
up when i call ya phone (you just wanna be left
alone) but i know just what you missing girl (missing
girl) and i got it wont you listen girl (listen to me) he used
to lie all the time, come thru just to grind he never
cared what you like, but im so much different i pay
close attention and i can show you with the time let me
be the reason...

I wanna be the reason (oh baby) that you smile
again (that you smile again) let me be the reason (let me
be the reason) you forget all about him... I wanna pick up
the, pick up the pieces (follow me, follow me, follow me
girl) won't you let me pick up the pick up the pieces
(follow me, follow me, follow me now) After all the
things that he did wont you let me be the reason...

I dont wanna be the problem baby, all the pain that he
been causing lately, i know that you been longing baby
for something different (you've gotta know) I'll never

cheat, I'll never lie, I'll never make you cry(never) I just
wanna see you smile again, let me be the reason why, I
wanna be the reason...

I wanna be the reason that you smile again(let me, let
me be) let me be the reason (you forget, you
forget)you forget all about him...(I wanna pick up the
pick up the pieces)I wanna pick up the, pick up the
pieces(follow me, folow me, follow me girl) won't you
let me pick up the pick up the pieces (follow me, folow
me, follow me girl) After all the things that he did(all
the things) wont you let me be the reason(baby
I)...(repeat)

Now wont you just follow me, folow me, follow me
now...

follow me, folow me, follow me now...

follow me, folow me, follow me now...

follow me, folow me, follow me now... wont you, after
all the things that he did wont you let me be the reason
