TAMANG PAG-IBIG

I. Sa bawat nilalang
Na nais magmahal
Mayroon laging Isa
Na ukol sa kanya
Sa tamang panahon
Iyon dumadatal
Tugon sa dasal

CHORUS 1:
Ako'y maghihintay
Nang di magkamali
Hindi magmamadali
Sa pagpili ng mamahalin
Ang tamang pag-ibig
'Di lang sa damdamin
Nakasalig
At nakikinig

II. Hindi man matanaw
Kung nasa'n siya ngayon
Sa aking piling
Makararating din siya
May tulay na lilitaw
Dudugtong sa patlang
Ng pagkahiwalay

(REPEAT CHORUS)

CODA:
Kaya kahit mayro'n diyan
Sa puso'y kumakatok
Kung may alinlangan
Di dapat tanggapin
Pag-ibig nitong alok

CHORUS 2:
Ako'y maghihintay
Ayokong magsisi sa huli
'Di maiinip
Sa pag-aabang sa tamang pag-ibig
Ang tamang pag-ibig
'Di lang sa damdamin
Nakasalig at nakikinig
Ito'y pinag-iisipan din

TRANSLATION:
To anyone who desires to love
There's always that special someone for him/ her
He/ she will come at the right time
The answer to your prayer

I will wait
So I won't make any mistakes
I won't make any haste
In choosing the one that I will love
The right love does not only depend on what you feel

Even though I do not no know where he is right now
He will eventually be with me
A bridge will appear
And will make a way for us to be together

I will wait
So I won't make any mistakes
I won't make any haste
In choosing the one that I will love
The right love does not only depend on what you feel

So even though there's a person
Knocking at the door of you heart
If you're not sure if he/she's the one
Don't accept the love that he/she's is offering

I will wait
So I won't make any mistakes
I won't make any haste
In choosing the one that I will love

The right love does not only depend on what you feel
You should think of it as well
