### JASON'S SONG

To you I sing the Tale of Jason

A boy prince like no other

Jason crossed the Blasted Lands to save his Queen and Mother

Jason fights the black guard in his Queen's name

Jason we implore you
Fight for us to your Dying Breath
Jason we beseech you
Give us shelter from the Falling Snow

Jason lives and breathes
A Warrior Soul
Jason reaps what He sows
For the Vineyards are well kept

Jason we implore you
Fight for us to your Dying Breath
Jason we beseech you
Give us shelter from the Falling Snow

A Mirror;

A Cloak;

A Sharven Tooth;

Fight the Shadow Wizard's Charnel Hordes!

We have but one breath left!

The Wolfsguard even sing his praises
The Blue Lady ambles widdershins,
On We Go On We Go
Traveling the Far Lands with All Support

Jason we implore you
Fight for us to your Dying Breath
Jason we beseech you
