Guess I'm driving myself again
crazy just hanging with my friends
but it comes out over
maybe we'll be together and
so maybe we'll lie the ground
and know that you didn't mean
anything that you said

slow down
I'm not automatic
I'm just a regular person
don't bring me down
I'm not automatic
Not that dramatic
I'm just forgetting one

Guess I'm a little bit over myself
guess I'm shaking like no one else
you won't hug me
why don't you unplug me
maybe this are gone
but I just hate being alone

slow down
I'm not automatic
I'm just a regular person
don't bring me down
I'm not automatic
Not that dramatic
I'm just forgetting one

I need to make me heal
if I am real
then if I can feel
I'll feel you
all over my head
from my forehead to shoe
Maybe I am
maybe I am
automatic
You can't bring me down

I don't know why
I'm forgetting one
If I try
and I'm just letting you
fly over me
so you'll watch over me

slow down
I'm not automatic
I'm just a regular person
don't bring me down
I'm not automatic
Not that dramatic
I'm just forgetting one
slow down
I'm not automatic
I'm just a regular person
don't bring me down
I'm not automatic
Not that dramatic
I'm just forgetting one

I'm just forgetting one
I'm not automatic
not that dramatic
so don't bring me down
