I'm all alone  
I'm on my own  
I'm wasting my time  
I'm about to cry  
I don't have any place  
don't want to waste anything  
anything anything anything  
yeaah

i don't know  
where to go  
i have no place to go  
I can't find  
what's inside  
it won't even show  
there's nowhere to go

I'm sitting here by this chair  
whispering in the air  
got nothing  
but hopeless  
I'm trying to be perfect  
but I  
can't take anything anymore  
so what am I here for  
I can't fake it anymore  
since I have hit the floor

i don't know  
where to go  
i have no place to go  
I can't find  
what's inside  
it won't even show  
there's nowhere to go

hey yea  
hey yea  
I'm not ready for this  
hey yea  
hey yea

I just miss it  
hey yea  
hey yea  
hold me tight  
kiss me goodnight  
let me know it's alright

i don't know  
where to go  
i have no place to go  
I can't find  
what's inside  
it won't even show  
there's nowhere to go  
i don't know  
where to go  
i have no place to go  
I can't find  
what's inside  
it won't even show  
there's nowhere to go
