ft. Ty\$

I got a bitch to pull bitches like she wanted a crew
You work free for me, but charge you a hundred or 2
Had that ass, little tits but she wanted it new
Little pill popping bitch, yeah she wanted the blue
Had a friend named... one or the two
Suck blood out the dick, yeah she wanted the crew
Got...

Whole click on, yeah, bleed them
Rats is low, rats will know how to treat her
Everything Gucci, dick, feed them
Mister go bizz tell the squad we squad
With a bitch on the track I let you do the jogging
I'm a hoe for the record, damn... Gucci
Stand up hoe,... groupie
Industry hoes turn to all out sluts
My bitch got a bitch, I don't really give a fuck

I got a bitch to pull bitches like she wanted a crew
Do it free for me, but charge you a hundred or 2
I got a bitch to pull bitches like she wanted a crew
Do it free for me, but charge you a hundred or 2

My girl like girls, yeah only fuck them free
Got a different bad bitch for every day of the week
My girl like girls, yeah only fuck them free
Got a different bad bitch for every day of the week

Little nasty ass hoe wanna suck it
Hop upon this billy like fuck it
Put her on the thang, yeah we call that jumping
Jack... hoes I'm pluming
Basically I basically
Fuck more than 25 bitches every week
Gotta have a... meaning...
Fuck going platinum guess I'm head of twitter
And jigga's got it rolling...
I had a lot of goose, now I'm givin her vodka
Head from a twins, going dumb off 2
My bitches like twix, 2 for me, none for you

I bounce back right, righteous sick
After I'm done,... got next
Then I'm back, girl I'm strapped
Put it in your mouth, both of y'all girls relax

I got a bitch to pull bitches like she wanted a crew
Do it free for me, but charge you a hundred or 2
I got a bitch to pull bitches like she wanted a crew
Do it free for me, but charge you a hundred or 2
My girl like girls, yeah only fuck them free
Got a different bad bitch for every day of the week
My girl like girls, yeah only fuck them free
Got a different bad bitch for every day of the week X 2
