I met her in... ago
... all white... go
Louie bag, Gucci purse no cargo
We in the movie, I can get it like Harpo
... mama's pull it and the baby's here
I got a thing for bad booze that be baby swag
Forget a haircut, tell me what's the insight
So I could show you how a real dude live like, ah?
What you think it's from a war...
Everything else here it's historical
Glorified past,... in case you know boy but we slip for
the fast
Never heard... baby stop laughing... go... for the action
I just wanan ball, color me bad
... the women with the everything bad

I wanna love you, I wanna sex you up
I'll make you feel nice
I wanna love you, I wanna sex you up

See my... be... top
... brand new coupe got it no top
Sumer time Will Smith like I'm Will Smith
I pray to god mamy hit me with that right gift
Got it good, little mama got the yes sir
I do it too, put my lips on her yes sir
Bless her... like I'm out feel
24 can't grip like I'm out feel
She like drake but I kill her with my old school
New tag... for my old school
... rose... and that great goose
I bag it up, no stylist
We the best, no ace, no callie
Baby think what I walk is the...
New... she ain't got no... let's go

I wanna sex you up
I wanna sex you up
I wanna love you
Let me take off your clothes
Disconnect the phone so nobody calls

Let me light a candle so it could make it better
Making love until we drown,
Girl you know it... feels good
We can do it till we can't wake up
And now you know I'm hooked on you
And this is what I'll do
I wanna sex you up, sex you up babe
Make love until we drown
I wanna sex you up
