I got eighteen wheels and a polished rig
I'm in a big ol' hurry and I do mean big

Overdrive

Overdrive

Overdrive
I gotta roll on just to survive
The only time I feel alive
Is when I kick it into overdrive

My momma said when I was born, I was born on the run

Overdrive

Overdrive
I gotta roll on just to survive
The only time I feel alive
Is when I kick it into overdrive, c'mon

Overdrive
I gotta roll on just to survive
The only time I feel alive
Is when I kick it into overdrive

I had a dream last night, I was standing still
I woke up, broke out sweating a chill
When the white line stops, they better lay down
In a cab over coffin in the cold hard ground
Overdrive

Overdrive
I gotta roll on just to survive
The only time I feel alive

Is when I kick it into overdrive

Overdrive

I gotta roll on just to survive

The only time I feel alive

Is when I kick it into overdrive

I kick it into overdrive
