The prophets of God have recociled the dead  
A zombie of Jesus insane with his belief  
Is all that you know and all you take as you go  
YouÂ're one with the rich and only take from the poor

Nailed to the cross by your hands and your feet  
Your washed up religion is now worthless and weak  
Tenacious conviction has caught up with your soul  
ThereÂ's no place for mercy in the myths of your lord

Little lamb of sacrifice, full of Bible hymns  
Hiding in the house of God, from his suffering  
Pray the son will come and call just to make us dead  
Bring upon the end of timesÂ... worship if you dare

Wiping out masses just for shits and a grin  
Is all an illusion of the spell that youÂ're in  
Religious confliction has impaired your control  
In his resurrection, revelations unfold

Little lamb of sacrifice, full of Bible hymns  
Hiding in the house of God, from his suffering

DieÂ.... will youÂ....

Annihilation by the hands of God  
Mutilate meÂ...  
Annihilation by the hands of God  
UnforgivingÂ...  
Annihilation by the hands of God  
Christ ill willingÂ...  
Annihilation by the hands of God  
Heaven hates youÂ...

When itÂ's time, I wonÂ't look back  
HeavenÂ's gates under attack

SatanÂ...  
SatanÂ...  
SatanÂ...  
SatanÂ...

Little lamb of sacrifice, full of Bible hymns  
Hiding in the house of God, from his suffering  
Pray the son will come and call just to make us dead  
Bring upon the end of timesÂ... worship if you dare

Annihilation by the hands of God  
Mutilate meÂ...  
Annihilation by the hands of God  
UnforgivingÂ...  
Annihilation by the hands of God  
Christ ill willingÂ...  
Annihilation by the hands of God  
Heaven hates youÂ...  
SHIT!
