+ (Jozeemo)  
I'm from R baby, Raleigh  
H.O.J., Joe Scudda, you know who we are baby  
(I'm from the D homie, East Durham)  
(L.O.V., Jozeemo, yeah that's me homie)

Blue Devils, new bezzles in crude metal  
Durham niggas gunplay at a new level  
City of medicine, pharmacy grade  
Cocaina and heroine make the llamas get sprayed  
It's an everyday thing to see the running the bulls  
The gangbangers flag up and get to running in schools  
South side be the red dragon, east be the deep blue  
The west ended cannibals, them niggas got to eat too  
Up north is blood sport but don't get it twisted  
The Chevys ride clean and twenty-sixes got 'em lifted  
The strip club, no it's a C.O.D. orgy  
The cabaret royale treat Jozee' like royalty  
Scudda reassure me, why do I live here?  
(You love that Bull City bullshit) Get this clear  
I rep the Dirty, it's my way or no way  
And Raleigh got my back bitch, listen to what Joe say

I'm from the cap' city where you can act gritty  
And my Raleigh wolves will leave your ass smacked  
silly  
Home of the liquor house, bootleg liquor spots  
Get your card game, get your dollar liquor shots  
Out of towners come to school down here for a year  
End up acting a fool down here  
Catch a case thinking this shit is cool down here  
Get replaced with the next cat that moved down here  
Move 'em in, move 'em out, this the city Biggie talked  
about  
Saying "licks went for twenties down South"  
Come down here, get you a spouse  
Around a hundred Gs will get you a house, got you  
some land  
Raleigh Durham I swear, everybody got fam  
If we can't do what we want then we do what we can  
You can't do shit for five, we can do it in grand

I love my city so my city's tattooed next to my hand,  
c'mon
