It's like you want me to say,
The things you want me to say.
Whatever I do isn't good enough for you,
But tonight, I don't care.

I'll act like you're not here,
Cause I know,
I need to be me,
I need to be free.
I don't wanna live on a cycle.
I wanna go when I'm ready,
Go when the time's right,
Go when I feel like.
Sometimes I want my life to be out of control,
Sometimes it's gonna be on the edge.
So baby if you want to,
We can go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!

The sound of you gets stuck in my head,
But I don't wanna dream.
These thoughts about being in your routine,
Cause I might go crazy.

I'll act like you're not here,
Cause I know,
I need to be me,
I need to be free.
I don't wanna live on a cycle.
I wanna go when I'm ready,
Go when the time's right,
Go when I feel like.
Sometimes I want my life to be out of control,
Sometimes it's gonna be on the edge.
So baby if you want to,
We can go, go outta control!

Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!

So baby if you want to,
We can go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
So baby if you want to,
We can go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
Go, go outta control!
