I know, the reason that you came so close
Don't lie, I know that you don't have nobody tonight
Whoa, whoa, that's alright, you're certainly my type
Whoa, just in time, to pull you to the side, yeah,
To the side, yeah, to the side, yeah, to the side yeah,
yeah, yeah

Whoa, tonight you gonna be with me on the floor
You got everything I'd like to look at and so much more
So tonight, you're my baby, I know it's crazy
You don't know me but that's ok
Tonight you're my baby, you're my baby, you're my
baby
You're my babe, you're my babe, you're my baby
But tomorrow I won't know you
Tomorrow you won't know me
I gotta get my hands on that ass, so just shake it baby
Ah, ah, just shake it baby, ah, yeah
Ah, ah, just shake it baby, ah, ah, girl

Don't worry about a thing, we're having so much fun
Do it, do it, do it, do it, just the way you want want
I really want...
I'm your only guy, let's have a good time
You're... one night stand, I'm trying to make another
plan
Oh yeah, yeah, yeah
I'm gonna be your boyfriend just for tonight, eh eh
You're gonna be my girlfriend just for the night
Yeah, yeah, yeah, yeah,

Whoa, tonight you gonna be with me on the floor
You got everything I'd like to look at and so much more
So tonight, you're my baby, I know it's crazy
You don't know me but that's ok
Tonight you're my baby, you're my baby, you're my
baby
You're my babe, you're my babe, you're my baby
But tomorrow I won't know you
Tomorrow you won't know me
I gotta get my hands on that ass, so just shake it baby

Ah, ah, just shake it baby, ah, yeah
Ah, ah, just shake it baby, ah, ah, girl
We gotta do... tonight, yeah, yeah

Whoa, tonight you gonna be with me on the floor
You got everything I'd like to look at and so much more
So tonight, you're my baby, I know it's crazy
You don't know me but that's ok
Tonight you're my baby, you're my baby, you're my
baby
Tonight you're my baby, you're my baby, you're my
baby
Tonight you're my baby, you're my baby, you're my
baby
You're my babe, you're my babe, you're my baby
But tomorrow I won't know you
Tomorrow you won't know me
I gotta get my hands on that ass, so just shake it baby
Ah, ah, just shake it baby, ah, yeah
Ah, ah, just shake it baby, ah, ah, girl
We gotta do... tonight, aha, yeah, yeah
