Something so so different
About you girl, girl
It's gotta be
Those lips and hips girl
You gotta be
My girl

Monday (Monday) through Friday
You, you run through my mind's highway
I got one look
That's all it took
(That's all it took)
Got me hooked
(Hooked) up girl.

How come everywhere I go
I see your face
Even if some other girls'
Up on my waist
It's a waste of my time
In my eyes
My time, my time

Girl you gotta be
G-g-g-gotta g-g-g-gotta be
My girl
Gotta be
G-g-g-gotta g-g-g-gotta be
My girl
