I've had a really bad day
Traffic sucks and I'm running late
So I turn on the radio
My stress accumulate
I wanna show you that I'll down and put on the picks
And turn on the radio

Gimme-Gimme that love song
Be drops and sing along
It doesn't matter what the dj's playin
I got my hands at the windows swayin
Gimme-Gimme that love song
Turn it up cause it turns me on
It doesn't matter what the dj's playin
I got my hands at the windows swayin

Wooo oo lalalalalala

I try to fakes smile
And that of works so I grab the dial
And turn off the radio
Down down crack the base
Gotta big bad sun gonna melt your face
Turn off the the radio

Gimme-gimme that love song
Be drops and sing along
It doesn't matter what the dj's playin
I got my hands at the windows swayin
Gimme-gimme that love song
Turn it up cause it turns me on
It doesn't matter what the dj's playin
I got my hands at the windows swayin

Wooo ooo lalalalalalala

Woaah it's dark inside my head
This shit could wakes the dance
Cmon cmon sing along
Woaah it's ringing in my brain
It's flowin threw my veins

Cmon cmon sing along

Wooo ooo lalalalala

Gimme-gimme that love song

Be drops and sing along

It doesn't matter what the dj's playin

I got my hands at the windows swayin

Gimme-gimme that love song

Turn it up cause it turns me on

It doesn't matter what the dj's playin

I got my hands at the windows swayin

Wooo ooo lalalalala
