Corruption

My lover is in America

I'll reach out with one hand

And keep one foot on the platform

Well, I know what I want if I know I can get it

I take what I want, un-hun, if it's there

Well, I know what I want if I know I can get it

I take what I want, un-hun, if it's there

Believe me, you're going to leave me

When you hear the truth

Some things you do in the city

Walk around in circles

Meet Japanese girls

Well, I know what I want if I know I can get it

I take what I want, un-hun, if it's there

Well, I know what I want if I know I can get it

I take what I want un-hun, if it's there

Well, I know what I want if I know I can get it

I take what I want, un-hun, if it's there

Well, I know what I want if I know I can get it

I take what I want un-hun, if it's there

Yeah, un-hun, if it's there

Yeah, un-hun, if it's there

Yeah, un-hun, if it's there

Yeah, un-hun, if it's there
