As you turned away
Was the last time that I saw you
All these times I tried to tell you
This is your life
Now don't use me
Please don't use me
Just go ahead and abuse me

Say you love me
Just this once
Say you need me
Just this once

As it occurred to me
Was the first time that I saw it
All these times outside the border of your heart
Now don't leave me
Please don't use me
Just go ahead and abuse me

Say you love me
Just this once
Say you need me
Just this once

I'm sorry that I let you down
I never meant to tear you down
But most of all I'm sorry for the way I am

Say you love me
Just this once
Say you need me
Just this once
