When the judge said divorce granted
Then you both are free to love anew

Oh, you walked away with a smile on your face dear
While I walked away with a heart broke in two

Chorus:

Well I know I'll never be free from this pain within my
heart

For every time I hear your name eardrops seem to start

Oh, I may be free by the law of the nation
I'll never be free by the law of my heart

Instrumental

Well, I wish you happiness in everything you do
But I'll always be alone and so lost without you

Oh, I may be free by the law of the nation
I'll never be free by the law of my heart
