You can tell that I'm a big man in this town  
And I'm the king of every street that I walk down  
It ain't much to brag about, but it's all mine  
From Main Street to the city limits sign.

Welcome to Rock Bottom, population one  
Just over by the mountain where a fool fell from  
And if you're looking for heartaches, stop and get you  
some  
Down in Rock Bottom, population one.

When I said goodbye to her, I felt so strong  
I thought I knew my way, but somewhere, I went wrong  
Now I'd trade this lonesome world to hold her near  
But I don't think she could reach me way down here.
