Rock Bottom, Pop. 1

You can tell that I'm a big man in this town

And I'm the king of every street that I walk down

It ain't much to brag about, but it's all mine

From Main Street to the city limits sign.

Welcome to Rock Bottom, population one

Just over by the mountain where a fool fell from

And if you're looking for heartaches, stop and get you  
some

Down in Rock Bottom, population one.

When I said goodbye to her, I felt so strong

I thought I knew my way, but somewhere, I went wrong

Now I'd trade this lonesome world to hold her near

But I don't think she could reach me way down here.
