There was no limit to the love that I got from you  
Oh, but there's no end to the evil that a man can do  
Now, the words that we vowed seemed a promise no  
power could turn 'round  
But what the Lord hath wrought, any fool can knock  
right down.

It only takes a little shove from a backstreet love  
Some pressure from accounts overdrawn  
Now just add alcohol, and watch it all fall to the  
ground...

Well, what did I think I would gain, runnin' so wild?  
Just the hatred of a woman and the tears of a helpless  
child  
Sure, God blessed me with a love like few ever found  
But what the Lord hath wrought, any food can knock  
right down.
