I walked in that room with a pistol in my hand
Everything runnin through my mind, wasn't no way to
understand
It didn't have to be this way it's not the way it should go
down
Well it's time for you to leave that boy or
I'll put you in the ground
Love pulled the trigger dear Lord You know it ain't my
fault
Didn't have control over my finger
Love pulled the trigger cause I can't be with her, Yeah
Love pulled the trigger then I watched her fall
I've tried so hard to catch your eye
But you just turn your pretty head and you walk on by
So I'm givin you this option you can live or you can die
You can leave that man for me or meet your Maker
tonight
Love pulled the trigger dear Lord You know it ain't my
fault
Didn't have control over my finger
Love pulled the trigger cause I can't be with her, Yeah
Love pulled the trigger then I watched her fall
You say that you'll be with me girl I'll never let ya down
But if you say that you don't want me
I'll put you in the ground
It's time for you to love me no longer will I wait
You got my heart all messed up my mind can't tell love
from hate
Love pulled the trigger dear Lord You know it ain't my
fault
Didn't have control over my finger
Love pulled the trigger cause I can't be with her, Yeah
Love pulled the trigger cause I can't be with her, Yeah
Love pulled the trigger then I watched her fall
