Desperation sinkin in just 17 yrs old all strung out from  
end to end he needs someone to pick him up but they  
all just put  
Him down like a lost gypsy in the night as he rolls from  
town to town rolls from town to town  
Where did he come from and where will he go he's  
been on his own so d\*\*\* long with no place to call his  
home he prays for  
Redemption he prays he'll see the light he prays he'll  
quit this gypsy life well someday he might  
He's been on his own so long that he can't remember  
when his momma found a new boyfriend who she  
thought more of than him so  
One night while they slept well he left and he robbed  
them blind jumped on the first bus west to see what he  
could find see  
What he could find  
Where did he come from and where will he go he's  
been on his own so d\*\*\* long with no place to call his  
home he prays for  
Redemption and he prays he'll see the light he prays  
he'll quit this gypsy life well someday he might  
California is a field of dreams so they say he's been  
livin on the streets of you can find him there today he's  
livin hand to  
Mouth and he's takin it day by day just wishin he could  
go back home well someday he'll find a way yeah he'll  
find a way  
Where did he come from and where will he go he's  
been on his own so d\*\*\* long with no place to call his  
home he prays for  
Redemption and he prays he'll see the light he prays  
he'll quit this gypsy life well someday he might  
Someday he might  
Someday he might
