Got a job, that's okay  
But they've got me workin' night and day  
Punchin' in, punchin' out  
Is this really what life's all about?

Whatcha gonna do? Whatcha gonna feel?  
I don't know  
Whatcha gonna feel? Whatcha gonna do?  
Won't someone tell me?

Whatcha wanna say? Whatcha wanna do?  
There's only one thing left to say  
Whatcha wanna do? Whatcha wanna say?

C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)  
C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)

Baby's gone all alone  
Are you sad because you're on your own?  
Get back up, party down  
There's so many good ones still around

Whatcha gonna do? Whatcha gonna feel?  
I don't know  
Whatcha gonna feel? Whatcha gonna do?  
Won't someone tell me?

Whatcha wanna say? Whatcha wanna do?  
I guess there's just one thing to say  
Whatcha gonna do? Whatcha wanna say?

C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)  
C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)

Hey it's J.J., what you been doin'?  
You say your car broke down  
The thing just isn't movin'  
Say J.J., don't you know?  
When you're down there's just one way to go  
And that's singin'

C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)  
C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)

C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)  
C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)

C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)  
C'est la vie, c'est la vie  
That's just the way it goes  
(That's life)
